A Bit from Barb.....

Working in the garden today I noticed the signs of fall are rapidly advancing. Summer is over. And with the end of summer came the end of our Wednesday walk series. And what a success they were this year! We had a total of 1372 walkers for the 17 offerings, 214 more than last year despite being offered for one week less. We averaged 81 walkers per walk versus 64 last year, and four of our events, Woods Hollow, Burnt Hills, Ballston Spa and East Side of Saratoga, had over 100 participants. Kudos to Wednesday Walks Chair Bernie Geren and all of the folks who worked to bring these walks to you.

The end of the Wednesday walks doesn't mean the end of walking for the year, though. We have group walks of all our YRE/seasonals scheduled throughout the fall. Check the schedule and come out and enjoy some of the best walking weather for the year. And, if you can't make one of the group walks, get some friends together and go out and do the walks at your convenience. I fear too many of our members will walk a YRE/ seasonal only with the big group but there's plenty to be said for just going out with a couple of people or even by yourself and doing them. While I love the socializing of a group walk, I find I often am more aware of what's on the route on a solitary walk or with a couple of other people since I'm not so preoccupied with conversation. You can also set the pace at your pleasure and stop where and when you wish to look at things.

And, if you know of new members who may not know the procedure for doing one of these do-it-yourself walks, why not invite them to join you and show them the ropes?

We are also entering the walk and eat portion of our traditional walk schedule. The Octoberfest is October 17th and the foliage should be at peak in the rolling hills of Christ the King Retreat Center in Greenwich. Then it's on to the annual pasta party at its new location at Our Lady of Grace Church in Ballston Lake on Nov. 1st (details and registration form in this newsletter). And make sure to mark your calendars for our final event of the year, the annual holiday walk and luncheon in Schenectady on Dec. 5th.

Keep on walking!

WALK, CONVERSATION, EAT & MORE TALK – Lea Darling

Yes, it's time for our 10th annual Fall Walk and Pasta Party at a new venue this year. Our Lady of Grace Church in Ballston Lake is pleased to welcome the ESCV group to their premises. Come, enjoy a multiple celebration of ***ESCV's AVA Presidential Award, and 2 Meritorious Service Awards and one Distinguished Achievement Award for 3 of our esteemed members.***

Our pasta dishes this year will be Penne alla Vodka, Penne with Sundried Tomatoes & Chicken with Cream Sauce, Eggplant Parmigiana and Sausage & Peppers. Salad, rolls & butter, dessert, munchies and beverages will round out your meal.

Remember to bring any leftover Halloween candy that you don't want, for our walkers to get an extra boost of energy either on the walk or as they return.

Volunteers Needed for the Pasta Party

I am looking for **volunteers** to help setup, cleanup, serve food, pick up food from restaurant, buy beverages and ice, sign in table, etc. I will also need to borrow, day of event only, large picnic coolers for our beverages. Email Lea Darling at leadarling@verizon.net and let me know what you would like to volunteer to do. *Many hands make light work!*

Look for the Walk & Pasta Party flyer in this newsletter with your reservation form, directions, time, and other information. Hope to see EVERYONE here to help celebrate another ESCV amazing year in VOLKSSPORTING!

HELP WANTED PROGRAM COORDINATOR

We'd like to have programs with an outside speaker at some of our club meetings. However, we need to have someone coordinate them. It's been a while since we've had a program coordinator and, as a result, we've had special presentations only sporadically. We don't need a program for every meeting, perhaps every other one or so. If you'd be interested in doing this, please contact Barbara Kolapakka at bkola67@gmail.com or 583-9038 if you'd like to chat about what's involved.

WEDNESDAY WALKS – Bernie Geren

The 2009 Wednesday Walks have concluded after having a tremendous year. We had a total of 1372 walkers! This would not happen if it were not for all the volunteers, both the people behind the scenes and the people at the start points. Thanks to all.

Woods Hollow, Burnt Hills, Ballston Spa, and the East Side Saratoga walks broke the century mark for number of walkers.

Next year there will be three new walks; the Woods Hollow walk will be later in the season to view different wild flowers in bloom. The 2010 proposed schedule is below.

A NOTE FROM CHARLOTTE PHILLIPS

Hi friends, My summer in Vermont is growing to an end faster than I would like it to. But, I would like to say "thank-you" to all those who have made me feel like I never have left. Thank you also for making me a lifetime member.

I was honored and pleased to pick up the award for the club at the national meeting in Dallas Texas area. The AVA president, Curt Myron, said nice things about our clubs web page. Our club needs to say "Thank-you" to Eileen for all she does to keep the web page in good order and accurate.

WALK NEAR VERGENNES - Linda Morzillo

I always thought that the Basin Harbor Club and Button Bay State Park would be so ideal for a Volkswalk. Jim and I have flown there over a dozen times and landed on the grassy strip right across from the Maritime Museum. On Sunday, October 18, there will be a walk sponsored by the Twin State Volkswalk Association.

The Basin Harbor Club and Resort is a beautiful private resort with cottages, two restaurants, golf, tennis, sailing, kayaking, swimming and other activities during the summer. If guests do not feel like taking part in active pursuits, they can sit and relax on Adirondack chairs painted in bright primary colors.

One of the restaurants is the Main Dining Room where one must dress for dinner. The other restaurant, The Red Mill is informal and has good food that is reasonably priced and nicely

presented.

If we have a frostless fall through October 18th, the gardens should still be in bloom. During the summer they are absolutely beautiful.

You can look on the website:
<http://www.basinharbor.com/>

Basin Harbor has a long and rich history and is the home of the Lake Champlain Maritime Museum.

Button Bay State Park was the site of the 1962 Girl Scout Roundup at which I was a teen-aged camper from the Mid-Island Council on Long Island. There is a small museum in the park in which pictures from that event are displayed.

From Saratoga Springs, the route is 101.65 miles and is estimated to take 2 hours and 4 minutes.

PRICETON AREA WALKERS ARE TAKING 5 BITES OUR OF THE BIG APPLE! - Judi Travis, Princeton Area Walkers

Princeton Area Walkers, New Jersey are scheduling walks in Brooklyn, Queens and Staten Island, NYC for October 10-13. In combination with the 4 year round events in Manhattan and a seasonal walk at the NY Botanical Gardens in the Bronx, this will create an opportunity to walk in all 5 boroughs. This has been an exciting challenge for us and we are hoping to have a lot of walkers join us in this venture. All the walks are safe and easy to reach by car or public transportation! Last year's walkers loved it so we were asked for a repeat. At this point, we are not sure if we will do a "three-peat" so make this your chance to enjoy NYC in the fall.

On Sunday, Oct 11 and Monday October 12, we will walk from the World Trade Center site in Manhattan, through the financial district, over the famous Brooklyn Bridge into Brooklyn Heights. The walk takes us through the historic and charming streets of Brooklyn Heights, past homes of many famous authors so qualifies for the literary and river programs. We will walk on the Esplanade, giving us fantastic views of lower Manhattan. Be sure to bring your cameras! And there are lots of great mid-Eastern restaurants to fill your hunger!

On Monday afternoon, October 12, there will be a walk in Astoria, Queens, which starts at the quirky Socrates Sculpture Park, goes through the residential streets of Astoria, past lots of Greek restaurants and then over to Roosevelt Island for spectacular views of mid-town Manhattan and the famed 59th Street Bridge (start singing the Simon and Garfunkle song now!). Please note that the sign in/start point for this walk will be at the Winter Garden at the World Financial Center in Manhattan, the same as the start point for the Brooklyn walk. You can take the subway from there to Queens to start your walk.

Tuesday, October 13, will give you the chance to walk in Staten Island, the most remote of the 5 boroughs. We will be walking in Snug Harbor Cultural Center and Gardens and then through a lovely residential neighborhood of gorgeous homes. Snug Harbor Cultural Center is the product of 28 years of restoration and development to convert a 19th century home for retired seamen to

a regional arts center, housing several museums. It is the largest ongoing adaptive reuse project in America and is considered one of New York City's unique architectural complexes and historic landscapes. There is a free and very memorable exhibit about 9/11 and the World Trade Center which pays tribute to the NYC Firefighters. This walk qualifies as a museum walk, garden walk and America's artistic heritage walk under the AVA special events. It also qualifies as an Island event!

Our seasonal walk at the NY Botanical Gardens is a true gem. The walk can be done from May 1-October 31 so need not be done on the same weekend as the 3 preceding events. We will be there to assist at sign in on Saturday morning, October 10 about 10-11AM. The Gardens are always a special treat as you walk through the 250 acres of 50 gardens and plant collections. Please see the website for the gardens for their hours and fees: www.nybg.org. The walk also takes you into the campus of Fordham University. This walk qualifies for the American Gardens special event program. Please take a free map of the gardens upon entering. The walk box is located at the Information booth at the main entrance, after the ticket booth. Please call Judi on her cell if you need help that day: 732-580-5414.

Of course, we have 4 wonderful YRE walks in Manhattan: Mid-town, Central Park, Greenwich Village/Soho/Chinatown and Little Italy, and Lower Manhattan so take your pick or do them all. There is so much to see in NYC and these walks are all packed with interesting sites and qualify for many of the special event programs. Please check our website: www.princetonareawalkers.com for information about these walks or call our club president, Maureen Penta, at (732) 229-8169.

There will be a special patch for all those who complete all 5 borough walks. For information specific to the Brooklyn, Queens, Staten Island or Bronx walks, you can also contact Judi Travis at walkeejt@optonline.net or call at (732)536-4073. See you in the Big Apple!
